

GovDocs Partnership

Employers Association of West Michigan is partnered with GovDocs!

This is a poster compliance subscription.

You will be billed at a discounted rate of \$45/annually for each location you post and you will be sure your posters are up-to-date.

There is an easy QR code to ensure compliance.

In this first year, to ensure subscribing members are in full compliance we will supply you with new compliant posters at a one-time additional fee of \$25 per all-in-one federal/state poster.
